

How to Create a Fundraising Page for the HRHCare Foundation

Step 1: Visit the *Support a Cause page* on the HRHCare foundation website, and choose the Campaign that you would like to support. If you don't have a particular fund in mind, choose the General Fund, and your donation will go where it's needed most.

Step 2: Click the page for the Campaign of your choice.

Step 3: Click on the "I Want to Fundraise For This" button located just below the Campaign page picture.

Step 4: You will be connected to a page titled "Create a Fundraising Page." Fill out the below 3 fields and press submit.

Whose name would you like to display on your Fundraising Page?

Email

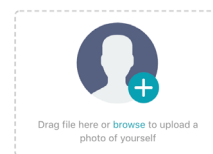

Password

SUBMIT

By clicking submit, you hereby agree to Give Lively's [Terms of Use](#) and [Privacy Policy](#).

Have An Account? Login

Step 5: You will be prompted to a page titled "Personalize your Page." Click on the icon to upload a photo of yourself, add a personal note explaining why this cause is important to you, and fill in your fundraising goal. Be sure to press save.

Add A Note: Why are you passionate about this campaign?

We'll display this publicly on your fundraising page under a section called "A Note From Stevie Caronia"

Your Fundraising Goal

Set a goal for this campaign in dollars (e.g., \$500). No commas nor decimals necessary.

SAVE

Step 6: Be sure to share the link for your fundraiser on social media. Copy the link and send to your friends and family through text message or email. To make changes to your fundraising page, click the "Edit Fundraiser" link.
