## Achievements

- Launched our highly successful medication assisted treatment (MAT) program for opioid use disorder
- Successful partnership with ArchCare to run a mobile health center van to serve local communities in need of health care access
- New market tax credit project at Monticello with the Primary Care Development Corporation (PCDC)
- Providing much needed health care services to the Monticello community since 2004
- Partnership with ACCESS: Supports for Living to integrate primary care within a specialty behavioral health setting, and recipient of Delivery System Reform Incentive Payment (DSRIP) Program Innovation Funds to support this partnership
