## More About Us

- The Sun River Health Jeannette J. Phillips Health Center was founded in 1975 by our four African American Founding Mothers, and serves as the flagship health center for our network
- We participate in the NIH, *All of Us* Precision Medicine Research Program, to diversify biomedical research nationwide
- Our state-of-the-art health center in downtown Nyack was made possible by a grant received through HRSA's Health Infrastructure Investment Program
- We partner with Montefiore Health System and the New York State Health Foundation in an initiative to integrate behavioral health and primary care
