More About Us

- In partnership with ArchCare we run a **mobile health center van** serving local communities in need of healthcare access
- In addition to our typical high-quality healthcare, we offer additional supportive services to **agricultural workers in the region**, such as transportation, care coordination and interpretation. We retain access to this community through relationships we've built with farmworkers themselves, local growers and community organizations
- Our Special Supplemental Nutrition Program for Women, Infants and Children (WIC) program at the Poughkeepsie Family Partnership, is the largest of our network
