## More About Us

- Our **community garden** at Sun River Health Amenia continues to flourish
- We support the **Dover School District Dental Program** at Amenia and expanded dental sealant program at Wingdale Elementary school, in collaboration with the Dover Union Free School District
- In partnership with ArchCare we run a **mobile health center van** serving local communities in need of healthcare access
- We act as lead agency for the **Eastern Dutchess Rural Healthcare Network**
- We partner successfully with Columbia County Mental Health Services
- In addition to our typical high-quality healthcare, we offer additional supportive services to **agricultural workers** in the region, such as **transportation, care coordination, and interpretation**. We retain access to this community through relationships we've built with farmworkers themselves, local growers and community organizations
