Percentage of Patients by Insurance Type

More About Us

- Our **340B program** provides patients with critical medications at low-to-no cost, including HIV medications and Suboxone
- Implemented Project SUCCEED, with the NYC Department of Health Viral Hepatitis Division to identify HIV/HCV positive patients and link them with care resulting in 68% of patients with hep C having an undetectable viral load
- Our successful **TransHealth advocacy and support program** offers education and pre/post operative support for transgender individuals
