

BACK TO SCHOOL BACKPACK ESSENTIALS ASSEMBLY & DRIVE

Sun River Health provides essential healthcare services to over 250,000 New Yorkers annually.

WHY:

Each August, we celebrate **National Health Center Week**, an opportunity to honor the commitment of our Federally Qualified Health Centers and providers, while highlighting the unique needs of local communities and fostering a shared investment in community health.

Many families struggle to afford school supplies, especially those in low-income communities. You can help fill this gap and ensure that every child has the necessary tools to succeed.

All backpacks and back to school essentials are distributed during National Health Center Week celebrations in the Hudson Valley, Long Island & NYC.

MAKE A DIFFERENCE:

Providing essential supplies to children in need helps to create a more equitable learning environment, where all children have the same opportunities to thrive.

Your team's efforts can inspire others to get involved in community service and charitable causes. By supporting education, your team can help shape the future of the community.

GET YOUR ORG ON BOARD:

Get your company or organization to support the mission of giving back to those in need by organizing a **one-day** backpack drive and assembly at your location. Promote your organization with branded items and showcase your social responsibility and commitment to our community.

By partnering with Sun River Health, you get dedicated and personalized support on the organizing, planning, coordinating and fundraising of the backpack drive.

ASSEMBLE YOUR TEAM:

Back-to-school drives can foster a sense of camaraderie and teamwork among colleagues while providing opportunities for your colleagues professional and personal development.

Your team can contribute to a worthy cause and make a positive impact on their community.

HOW:

Interested in hosting a back to school drive & assembly at your organization?
